

'66 EASTONIAN

NELLIE McKANNA

***The Eastonian
1966***

Kansas City, Missouri

Foreword

Progression through life is an eventful journey. The way is filled with joy and satisfaction for some, and defeat for others. The choice of roads to follow is left to the individual, for the person with the desire to progress holds the key to the future.

East High School has only been a stopping ground in our progression through life. This year, as all high school years, has gone by quickly, and there are many stops yet to be made, many achievements yet to be accomplished. But the experiences we have shared and the understanding that has developed within us will have a lasting effect upon us, as the memories created this year are cherished throughout our lives.

The work and the play, the happiness and the sorrow, the good and the bad—everything we have known in the past years will give us the basis for a richer, fuller life. Because of East High School, the key to the future can be ours, and our progress can be unlimited. We, the staff, hope that this, the 1966 Eastonian, records for you the memories of the past and the promises of the future.

Dedication

With the end of this school year comes the end of 40 years of service to East High School. To all who have so greatly benefited from knowing him, the retirement of Mr. Tiefel will create a loss that will be very hard to fill.

Mr. Tiefel was born in Indiana and graduated from Indiana State College, later receiving his Master's Degree from the University of Kansas City. He began his teaching career in Mattoon, Illinois, 1923. In 1926, Mr. Tiefel came to Kansas City as a member of the original faculty of East High School. He has remained always loyal to her, and his children are East graduates.

Throughout his years at East, Mr. Tiefel has taught drafting. As sponsor of the Engineers' Club, he has helped countless numbers of students prepare for a career in the field of engineering. It is with deep respect and gratitude for his many contributions to East that we dedicate this, the 1966 Eastonian, to Mr. Ralph E. Tiefel.

MR. RALPH E. TIEFEL.

Working together with faculty and student body, the administration strives to instill responsibility, character, and citizenship into the young people. While promoting these traits, they demonstrate their ability in counseling and enduring patience. Better parent, faculty, and student relationships are achieved.

Managing the school with precision and skill, the administration maintains the pride and dignity compulsory for this position. The endeavor to promote school

Vice-principal
Mr. William T. Ridley

spirit and scholastic interest concerns the administration with the activities of the student body. This concern compels the administration to work with the faculty and students.

Years of experience and assistance from the personnel has promoted efficiency and expedient solutions to problems which are encountered by the administration utilizing the wisdom, tact, and eloquence to solve issues.

Counselors Aid and Guide Students

IN AN ATTEMPT TO GUIDE YOUNG PEOPLE, Mrs. Scott, junior counselor, spends many hours checking records and counseling students.

SCHOOL RECORDS ARE OBTAINED BY MR. HESS before counseling a waiting student.

No matter what problem, social, scholastic, or home, the counselors will listen with understanding and sympathy. Throughout the high school life of each student, they attempt to help him plan a future best suited to his abilities and talents.

CHECKING REPORT CARDS BEFORE DISTRIBUTION is one of the many jobs of Miss McClure, sub-freshmen counselor.

SEARCHING FOR COLLEGE INFORMATION, Miss Stewart, senior counselor, helps prepare many students for the future.

PREPARING THE HOMEROOM BULLETIN is a daily task for Mrs. Hause, an office secretary.

Keeping the school records, issuing tardy cards, and typing up homeroom bulletins are just a few of the many duties of the office workers. Although they are kept busy with the paper work of the school, they never seem too occupied to lend a helping hand to a student in need. The office ladies are a necessary and important part of East High School.

Office Staff Assists in School Organization

"HANDS GET DIRTY" while performing office duties," says Mrs. Crosby.

FILING IMPORTANT PAPERS is one of the many jobs done by Mrs. Offield, office worker.

ACCURATELY TYPING FORMS is easy for Mrs. Watson, office secretary.

Teachers Help Us Prepare for the Future

"MAKE SURE IT'S ARTISTIC." says Miss Parkerson to the photographer.

MISS WOLFE, ENGLISH TEACHER, waits patiently for order before starting class.

UTILIZING CHARTS PROVES PROFITABLE for musical understanding in Mr. Mabbott's vocal music classes.

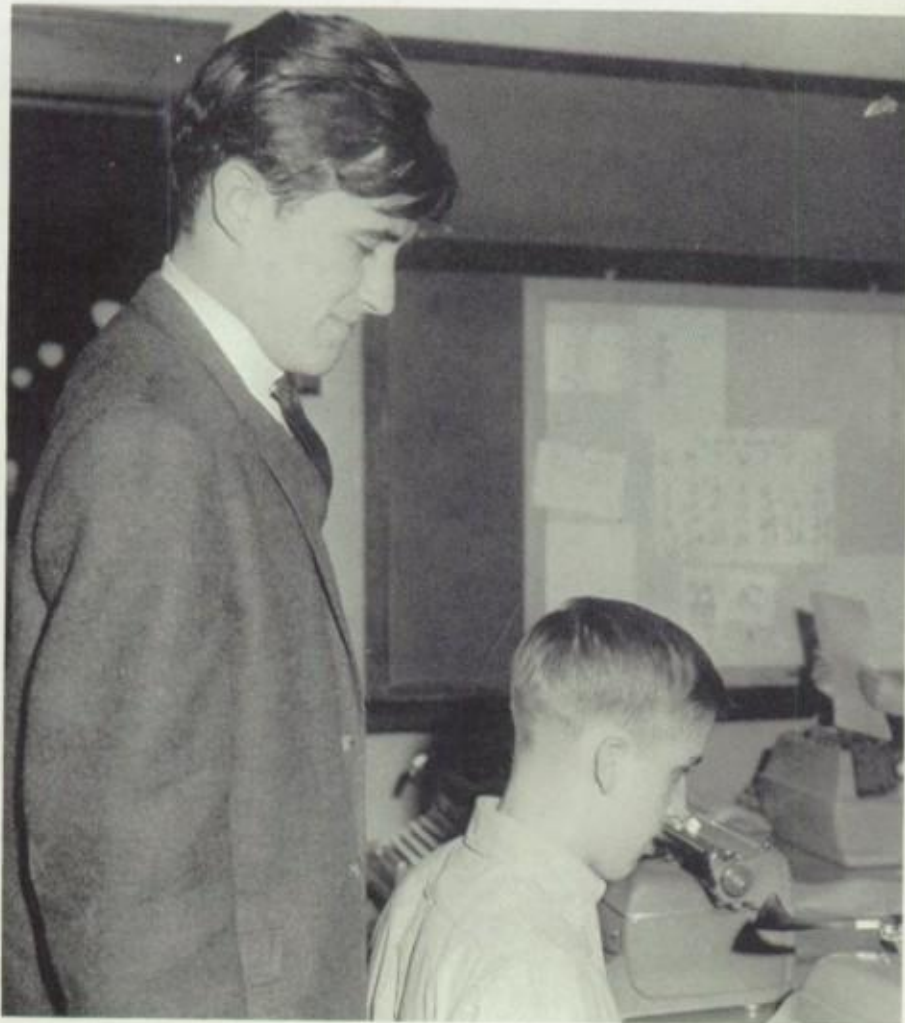

Practical Skills Are Learned in Typing

RECORDING ABSENCES REQUIRES PRECISION from Mrs. McKenna, typing teacher.

SMILING APPROVINGLY AT A STUDENT is Mr. Needles, typing teacher and sponsor of W. L. S.

"THE BOOKS BALANCED FOR A CHANGE!" says Mr. Benson, accounting teacher and Inter-Society sponsor.

IN ADDITION TO TEACHING the fundamentals of English and history, Miss Harrison provides solutions to problems encountered by eighth graders.

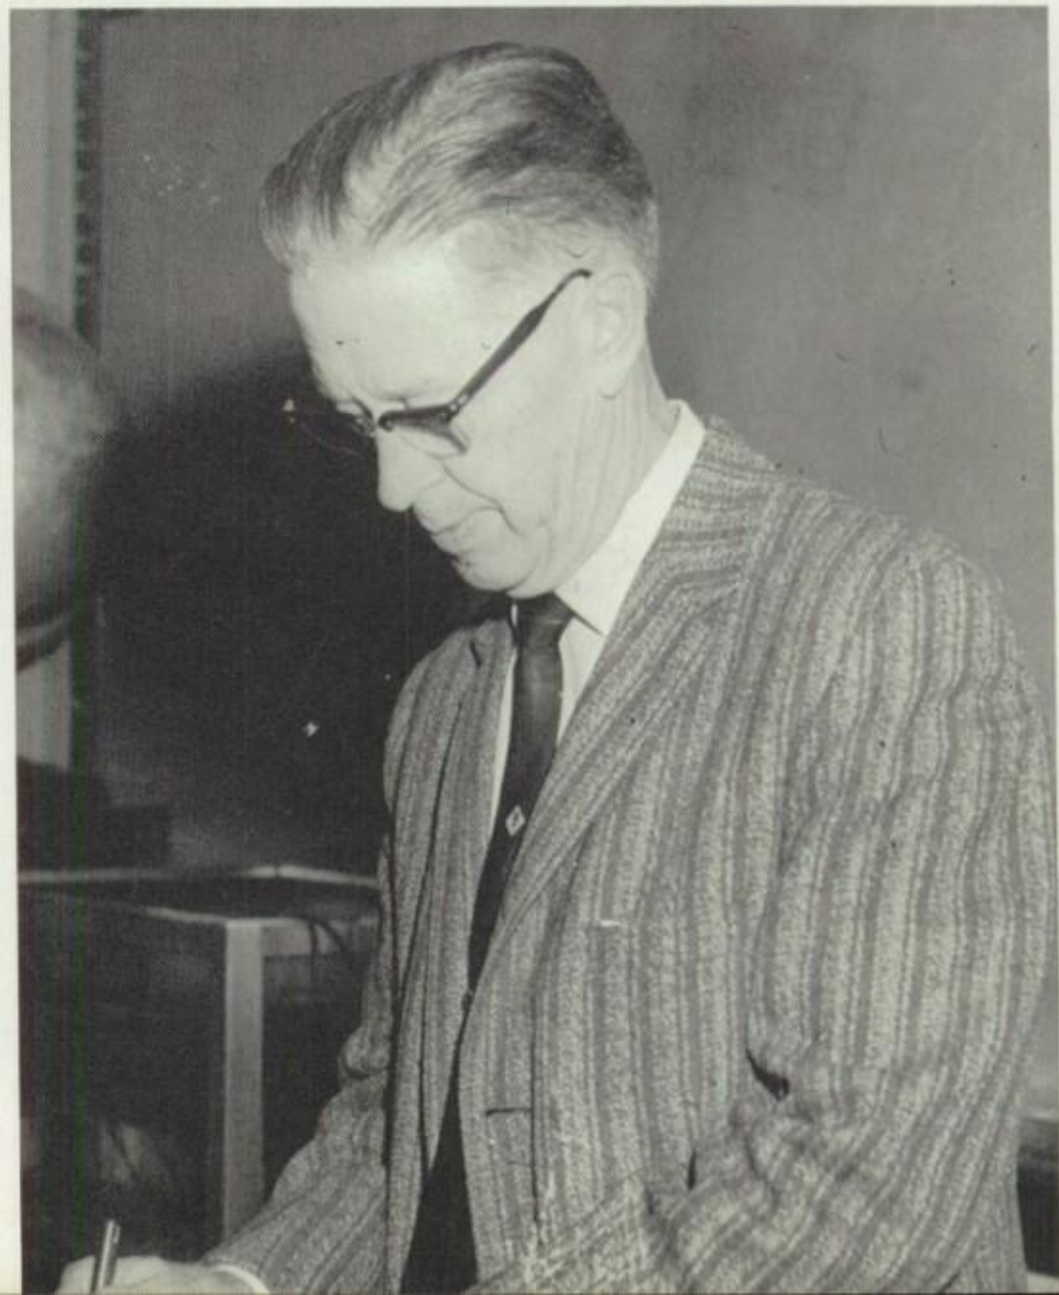

TO A CLASS OF EIGHTH GRADERS Mr. Cohen demonstrates the principles of mathematics.

WORKING ON TEST PAPERS, Mrs. Zickefoose realizes the mathematical problems which need more thorough explanations.

KEEPING SCIENTIFICALLY INFORMED in the new methods and discoveries in biology consumes most of Mr. Day's time.

Many Courses Offer College Preparation

TO ONE OF HIS BAFFLED STUDENTS, Mr. West explains an algebra problem.

MRS. BARNDT PAUSES from her mathematical explanations to pose for the yearbook picture.

GLAD TO HAVE A FREE HOUR is Mr. Mallot, science teacher and coach of A and B tennis teams.

BUSY AT WORK GRADING HOMEWORK PAPERS is Mr. Simmons, math teacher.

THE NEW LAB EQUIPMENT is a great asset to the language department used jointly by Mr. Ruiz, Spanish; Mrs. Donnelly, French; and Miss McLaughlin, Latin.

DISCUSSING FOOTBALL STRATEGY are Mr. Harris, Mr. Fields, and Mr. Webber, avid sports participants.

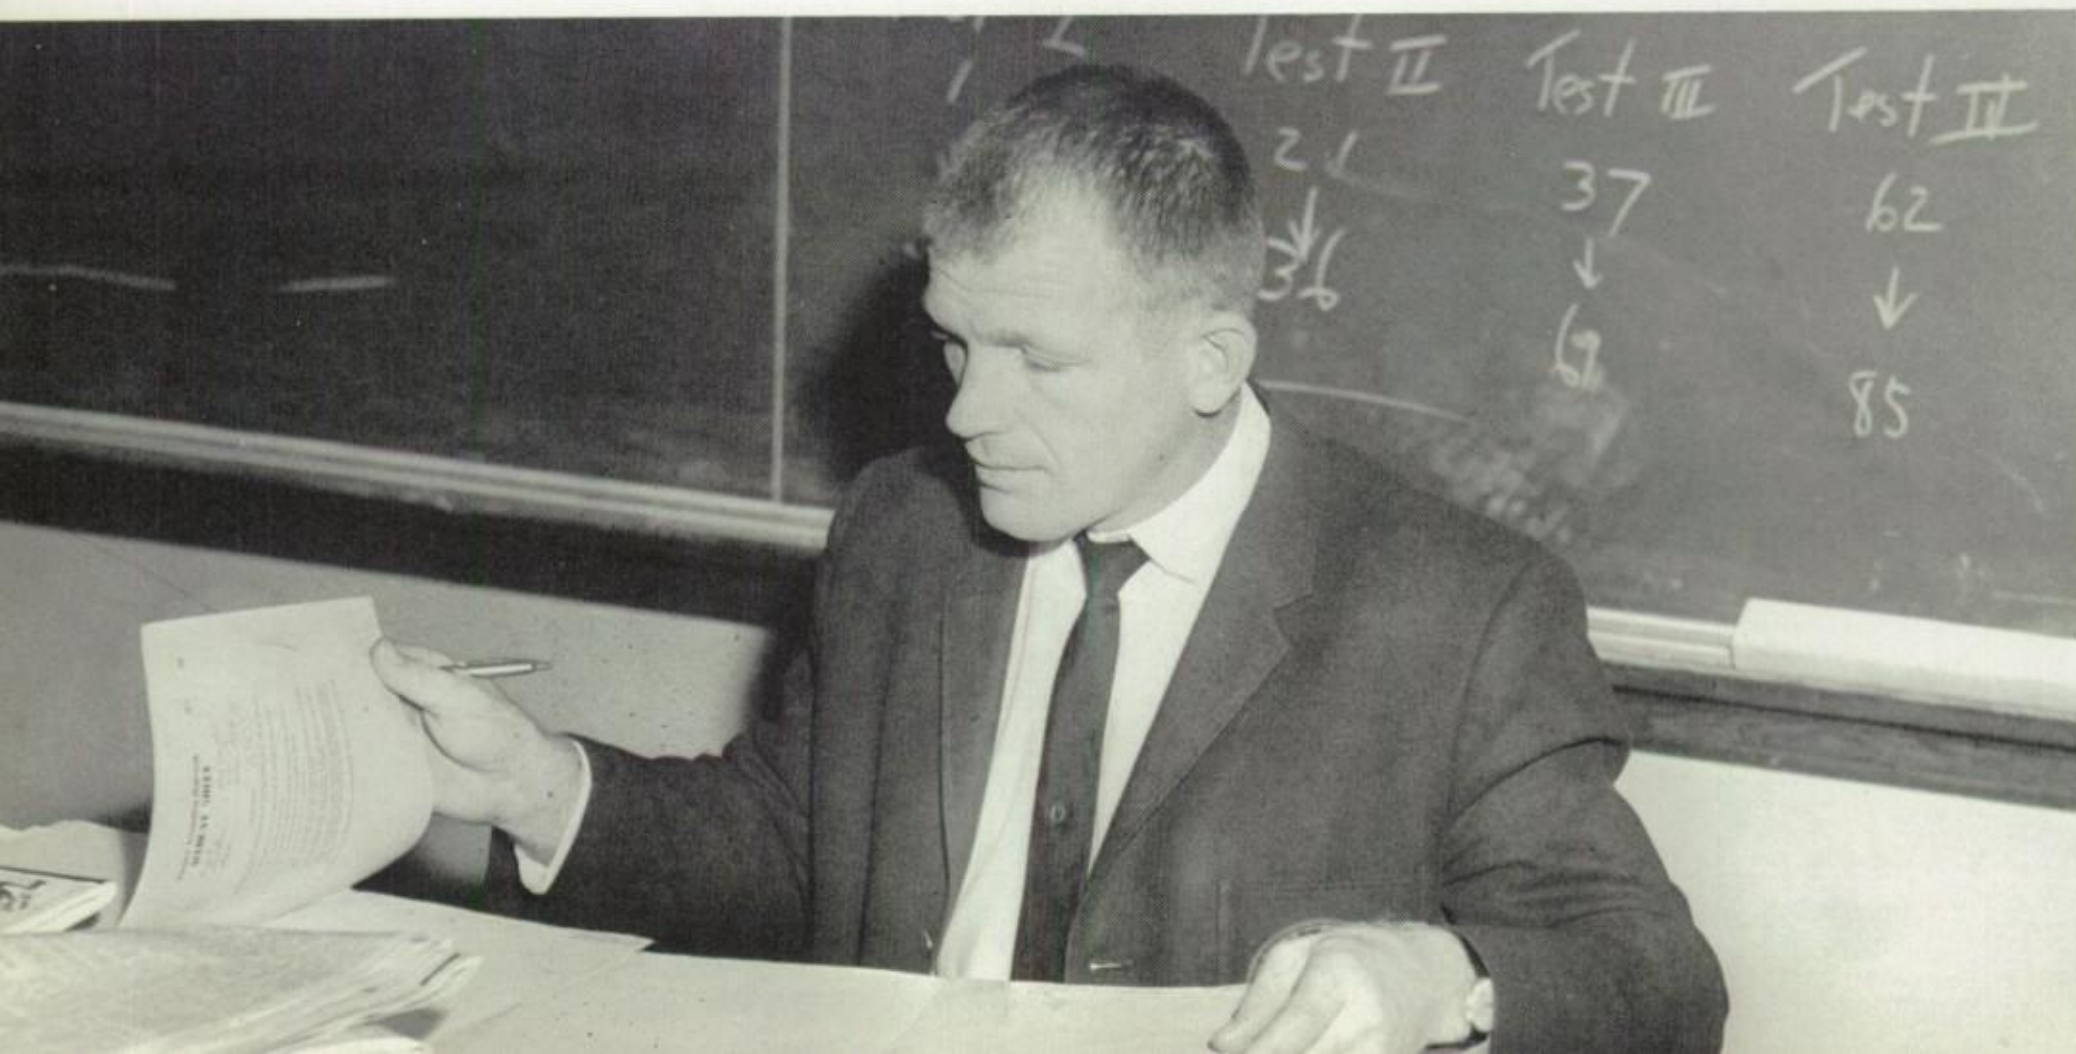

"MATH COMES IN HANDY for industrial arts, too," says Mr. Priefert to a bewildered student.

WELL-INFORMED ON IMPORTANT ISSUES of the day is Mrs. Hardiman, special education teacher.

Physical Fitness is Stressed

KEEPING HIS GRADE BOOK IN ORDER is Mr. Roether, driver's education teacher and varsity football coach.

MRS. REIMAN ATTEMPTS TO BUILD a more stable future for her family relations students.

We Learned Our Roles As Adult Citizens

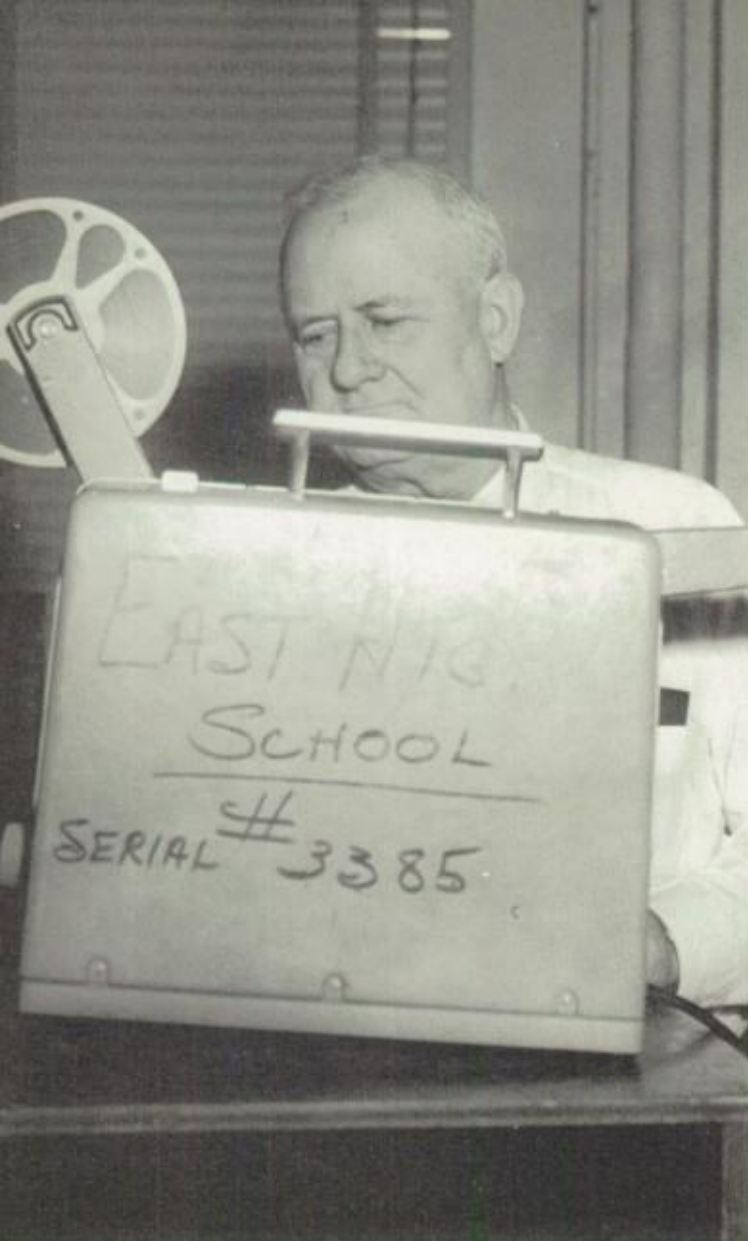

BUILDING THE PRIMARY FOUNDATIONS. Mr. McCarty reaches for his textbook seeking aid.

MR. NICHOLS APPEARS TO BE EX-PLAINING the cause and effect of historical events.

"GOOD PERSONAL APPEARANCE IS IMPORTANT." says Mr. Hess, history teacher, as he straightens his tie.

VISUAL AIDS IS AN IMPORTANT ASSET demonstrates Mr. Michaels, science teacher.

SMILING PLEASINGLY IS MR. COOMES, civics teacher, as he averages grades.

A NEW AND EAGER TEACHER AT EAST HIGH SCHOOL, Mr. Fisher has supplied many students with a basis for future education.

We Are Taught Responsibility

MISS LANDIS, SPECIAL EDUCATION TEACHER, assists a student in pointing out the capital of Colorado.

Student Activities.

Working under the theme "Speaking Up for Youth," the East High Parent-Teacher Association has accomplished much this past year.

Under the leadership of Mrs. Charles Barnhardt, the PTA began the "C. O. Williams Memorial Fund," which helps students in need. They also sponsored two book fairs for East students. Among the five meetings that were held were a get-acquainted meeting, and an Open House with a program emphasizing driver's education. Founder's Day observance was held in February, and the March program was staged by the faculty.

The PTA ended the year by serving at the junior-senior prom, and by having a picnic for faculty and parents.

DONATING THEIR TIME these mothers in PTA sponsor another book fair.

WELL-BALANCED MEALS are prepared by the cafeteria ladies daily.

Efficient Staff Handles

PAUSING FOR LUNCH, these cafeteria ladies discuss the reactions of the students.

HELPING FACULTY AND STUDENTS is just part of the job of Harry Henken, custodian.

CHECKING THE HEAT REGULATION is a regular morning task for Mr. Barnett.

Daily Duties

Preparing meals for a school of two thousand is a task requiring much skill and experience. The cafeteria staff certainly fulfill these requirements. No matter what their duties, from cooking the meals to selling candy, they are always efficient and industrious. Their duties are very seldom accomplished without a cheerful attitude and a friendly smile. As part of the organization of East High School, they should be much appreciated.

Early in the morning, the custodians arrive at East High to start the boiler, turn on the lights, and prepare the school for the onrush of students at eight o'clock. During the day they continue to keep the school clean and orderly. Although their jobs are made more difficult by the careless littering of students, they still manage to perform their duties efficiently. After the close of school they must clean classrooms, mop floors and get East High School ready for the next morning.

ALTHOUGH MANY STUDENTS make Mr. Ellis' job more difficult by littering, he always manages to keep the auditorium clean.

It is the traditional custom at East to select the two co-captains at the close of the football season. The entire varsity squad voted on the two players that have shown exceptional leadership and determination as well as playing ability. The team chose as their co-captains, tackle, Roy McDaniel and quarterback, Larry Hahs. Roy and Larry this year have displayed the qualities required. As for playing ability, Roy was voted on the all-city first team and Larry earned honorable mention.

LEROY RIGGS TOUCHES up on his wrestling as he throws a Grandview ball carrier in this first quarter play.

GRANDVIEW

East Bears opened their 1965 season against the Bulldogs of Grandview. East displayed a rugged defense, holding Grandview scoreless for three quarters. Pat Lakin scored the Bears only touchdown early in the first quarter on a 10 yard run around the end. In the beginning minutes of the fourth quarter a slip in the line allowed Grandview to block a punt on East's five yard line. Grandview then tallied, making the score 7 to 6. With only seconds remaining in the last quarter, Grandview slipped around the end leaving a disappointed East team defeated 14 to 6.

LILLIS

In their meeting with Lillis, East looked as though they might upset the highly rated Shamrocks. The Bears had a 6-0 lead by the end of the first quarter. Lillis, noted for their passing game, threw the ball few times, as they were able to pick up yardage on the ground. The Bears, unable to sustain another drive, failed to hold Lillis in the last half. The final score was Lillis 27, East 6.

SOUTHEAST

East opened the Interscholastic league season against Southeast at Southeast stadium. The Knights started the scoring early in the first quarter when Mike Hoedle ran 20 yards for the touchdown. The Bears' defense came to life in the second half, holding Southeast to only one touchdown. Unable to move on the ground, East turned to the air. Marco Ambrosi passed to John Cress for the first touchdown, and to Jim Guthrie for the conversion. Penalties in the final quarter prevented the Bears from scoring further, leaving East stranded, 28-7.

NORTHEAST

The Northeast Vikings handed the Bears their second league defeat. Eager for a victory, East drove 60 yards for the first score late in the first quarter. Northeast fought back to take the lead with an end run by fullback Joe Shipley, leaving the score 7 - 6 at halftime. After two touchdowns in the third period, East's defense allowed the Vikings scant yardage. Climaxing a long drive in the fourth quarter, East scored with only minutes remaining in the game. The Bears could not put together another drive, and the score remained, Northeast 21, East 12.

WESTPORT

The Westport Tigers and the East Bears were fairly equal teams. The first time Westport got the ball, they drove to the Bears' 21-yard line. Unable to move the ball any farther, they tried and completed a field goal. The first half of the game neither team was able to score again. The third and fourth quarters swung into a defensive battle as neither the Tigers nor the Bears could get a drive going, always being stopped short of a first and ten. The final score was Westport 3, East 0.

SOUTHWEST

At Southeast stadium, East met Southwest in the locally televised game of the week.

The Indians scored on the first play from scrimmage. As usual, East's defense came to life holding Southwest without another touchdown in the first half. The Bears' only touchdown was set up on a long pass from Marco Ambrosi to John Cress. Ambrosi completed another pass to Leroy Riggs for the score. The conversion was good, putting East ahead 7 - 6 at halftime.

In the last half, Southwest turned to the air, scoring an easy victory as the final score was 39 - 7.

APPLYING THE BIG SQUEEZE, John Cress pulls down this Lincoln tiger.

LINCOLN

The East - Lincoln game is traditionally a wild and woolly encounter. This game was no exception. The Tigers started the scoring early, taking advantage of a good field position. East fought back with Larry Hahs scoring on a quarterback keep. This see-saw manner continued until the third quarter, when both defenses settled down, holding the score 20 - 19 in favor of Lincoln. In the final period, Lincoln gained the final tally on an off tackle play, leaving the Bears behind 26 - 19.

CENTRAL

In the 1965 Homecoming game, East met the league-leading Central Eagles. The Eagles were well equipped in size and speed. Central's halfback, Taylor Spriggs, in several break-away jaunts, broke the game wide open. Because East was unable to get either offense or defense going, Central kept possession of the ball most of the game. The Homecoming atmosphere remained light although the spirit was dimmed by East's 52-0 loss.

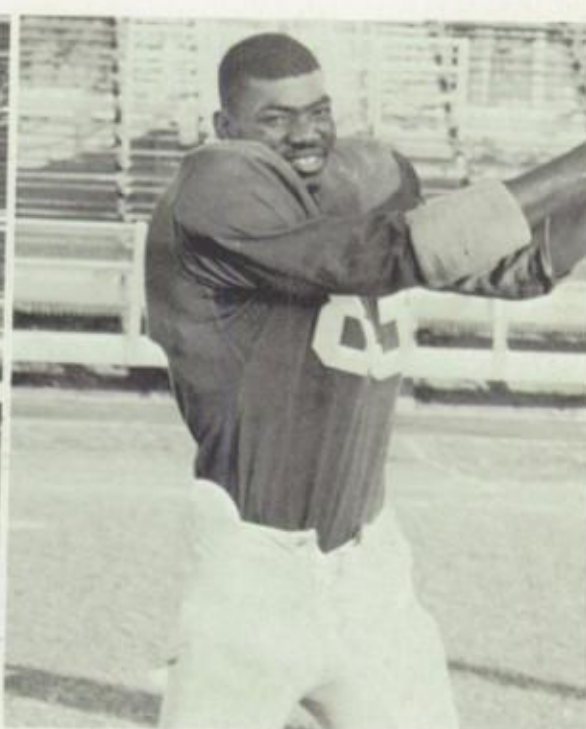

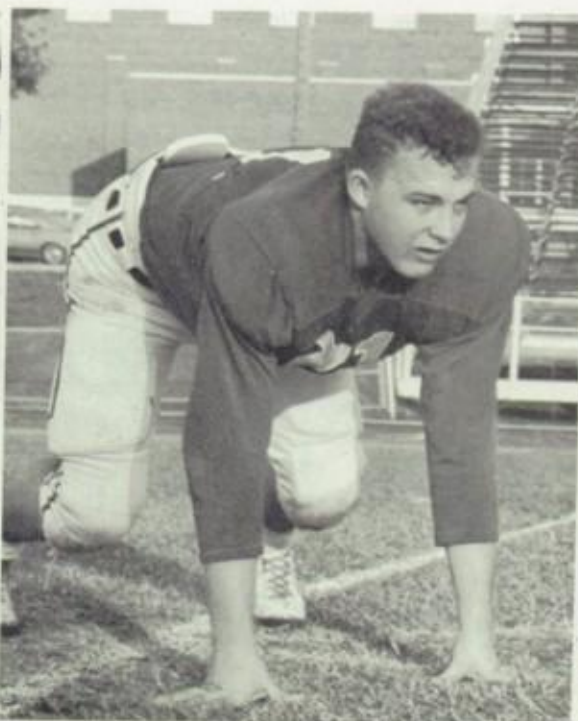

"O.K., FINLEY, you hit him low and I'll hit him high." Leroy seems to be saying as he teams up with Ron Finley for this tackle.

MANUAL

For their last game of the season, the Bears met the Manual Redbirds. Manual's defense dug in during the first quarter allowing only slight penetration. The Bears, unable to stop the powerful running attack, fell behind by two touchdowns.

During the second quarter, East got its first and only touchdown when Darrell Wright plunged over from the three yard line. Manual, with its strong defense and powerful offense, dominated the third and fourth quarters by staging several break away runs. By the time the ending gun sounded, the Bears had finished a disappointing season, losing 32 - 7 to Manual.

Homecoming 1965

"Stone Age" was the theme of the 1965 homecoming, held on October 30. Competing in the halftime parade for the homecoming plaque, given to the club with the best float, were dinosaurs and cavemen of all sizes and shapes. Kalailu's float, a replica of a mammoth representing a "Mammoth Victory," won the plaque for the second consecutive year.

After the parade festivities, Yvonne Fann crowned the 1965 Homecoming Queen, Dian Fleming. Dian reigned at the dance, for which the boys' gym was transformed into a prehistoric cave. Music to fit the mood was provided by The Collegiates.

St. Marys

The Bears opened their 1965-66 basketball season against the Trojans of St. Marys. The hot-shooting Trojans hit for 72 points at well over a 50% average. The Bears, unable to hit at all, were behind all through the game as the final score showed. A stouter defense plus improved shooting would have helped the Bears. Even Leggette Slaughter's 17 points failed to help toward a victory as the Bears bowed 72-42.

WHILE CAREFULLY OBSERVING THE ACTION ON THE COURT, these players wait their turn.

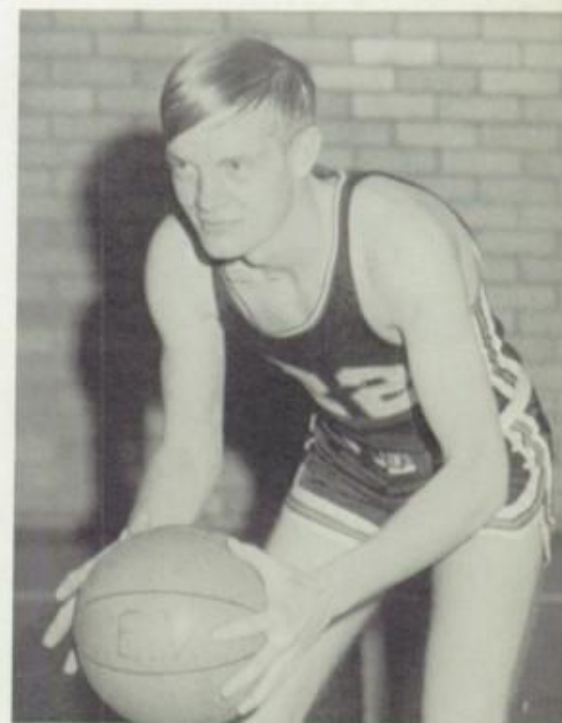

William Chrisman

Looking for their first victory of the season, our Bruins met the Bears of William Chrisman on their court. This factor proved a disadvantage for our Bruins. Chrisman out-shot East in the first half to build up a 13 point lead. Scoring fast and easy in the third and fourth quarters, Chrisman kept pulling ahead. Our Bruins, handicapped by inexperience, played hard; but Chrisman emerged the victor, 77-42.

Hogan

Playing a high-scoring game against the Rams, East Bears showed their ability. The Rams, slated to finish high in the Catholic league standings, couldn't pull away from the Bears as they only led by two points at the end of the first half. The lead switched back and forth during the third period, but the Rams gained an eight point edge in the closing seconds. The Bears, never able to overcome this margin, settled back to watch that lead steadily increase, as they lost 83-61.

"LET ME HOLD IT, FELLAS," is what Jerry Walker seems to say to these Northeast Vikings.

LOOKING LIKE A GROUP OF MODERN DANCERS, these players fruitlessly try for the ball.

Raytown

The Blue Jays of Raytown played the Bears a hard and fast moving game. The two teams, almost equally matched, switched the lead back and forth during the first half. Jerry Walker, East's center, found the range several times when it was do or die for the Bears. In the early part of the third period with the pick up of a six point lead, the Blue Jays began to pull away from the Bears. The fourth period proved to be like the third, with Raytown ahead and apparently staying there. As the final buzzer sounded, it was Raytown over East 38-27.

Central

For the first game of the Interscholastic League Tournament, the Bears were to face the Central Eagles. The Eagles jumped to a quick lead and never let up the entire game. Rebounding the Bears' shots, Central was able to keep their hands on the ball almost constantly. The Bears, unable to penetrate Central's tough defense, had to shoot from the outside most of the night. The Bears, down by twenty points at the end of the first half, had to work the ball around to get it to forward, Dave Lakin, on the inside. At the middle of the third period, the Eagles put in their reserves, who coasted to an easy 79-46 victory over the Bears.

Van Horn

The Falcons of Van Horn were the Bears' opponents for the second game of the tournament. Cold shooting took its toll as Van Horn led by twelve at the end of the first quarter. The end of the half saw the Bears trying to stay in the game. Several fast breaks and stolen balls put Van Horn out in front to stay. A comeback in the closing seconds was of no avail to the Bears as Van Horn dropped them 80-49.

Southeast

East opened its league play against the Knights of Southeast. The Knights, scoring first, kept ahead of the Bears as the ball traveled up and down the court. Good rebounding and sure shooting proved to be the decisive factor in the first half as the Knights led by thirteen. Bob Kelley, who turned out a great effort, couldn't get the team together as Southeast enlarged their lead. By the fourth quarter, the Bears, relying on their starters, began to run down. As the last second ticked off it was Southeast, 65-37 over the Bears.

Manual

The Manual Cardinals, who have always been a good team, showed the Bears that this year was no different from the past. Grabbing the ball and jumping into the lead, they capitalized on the Bears' mistakes. Using their full court press, the Cardinals caused the Bears to have bad passes and rule infractions. Never behind, the Cardinals' hot shooting and effective rebounding accounted for their eighteen point lead at half-time. Third and fourth period scores were mostly on Manual's board as East's cold shooting took its toll. The Cardinals dropped the Bears, 78-47.

"WHERE DID IT GO?" seems to be the expression of these players faces as they wait for the ball.

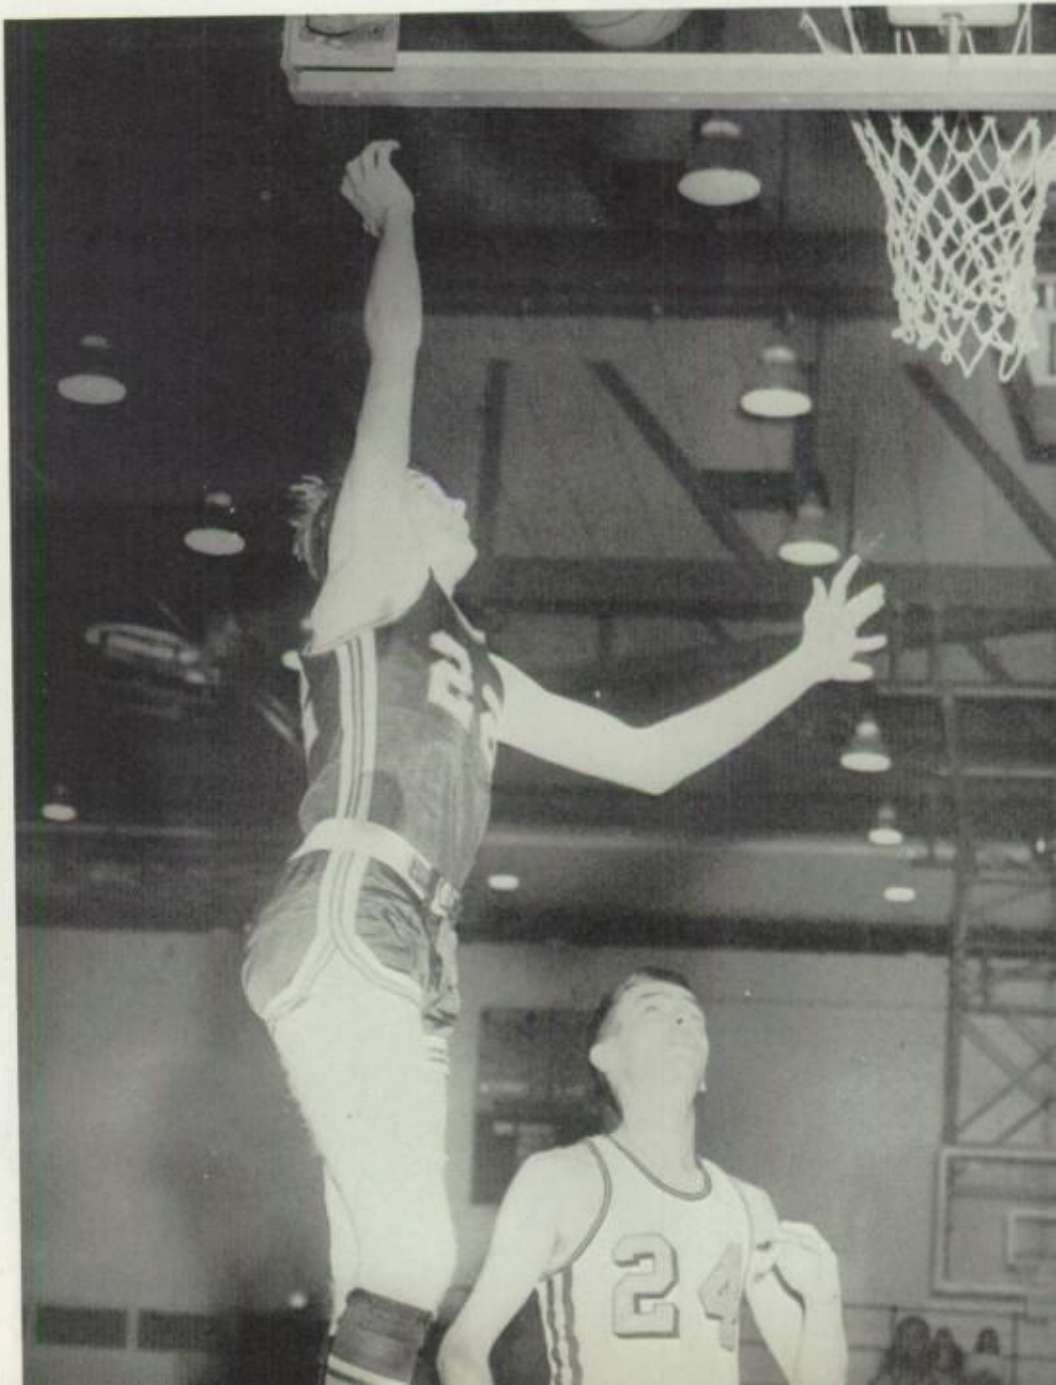

Northeast

East Bears' rivalry with the Northeast Vikings was revived to the fullest extent as the Vikings squeezed by the Bears 55-52. The first two periods saw the lead change sides several times. The Bear defense held the Vikings scoring down, but their offense couldn't find the range. When the first half ended, there was only a four point difference in the scores. The third quarter was like the first with both teams sharing the lead from time to time. Late in the fourth quarter, East, scoring from free throws and goals looked like they might take the game, but determined Northeast fought back and with seven seconds left hit a goal to give them the lead. A technical called on East gave the Vikings a chance to sew the game up and as the buzzer sounded it was 55-52, Northeast.

St. Pius

The Warriors of St. Pius handed the East Bears their tenth loss of the season. The two teams, exchanging the lead at different times, ended the first period with the score 13-12 in favor of Pius. The Warriors out scoring the Bears 16-11 in the second period built up a 29-23 lead at half time. East, unable to stop the rampaging Warriors, tried to keep the ball as much as they could but St. Pius, by out shooting and rebounding the Bears, pumped in thirty points in the fourth period to rout the Bears, 80-46.

"UP FOR TWO," goes Binky Fields as he makes this lay up in the West-port game.

RON MORROW AND JERRY WALKER jump to intercept a high pass under the basket.

Southwest

Southwest led the Bears all the way from the start. Height proved to be a major factor in this game. By outrebounding us the Indians were able to get the ball down the floor before any defense could be set up. Leading 62-43 in the third quarter, Southwest put in its reserves to finish out the game. Southwest hit 19 of 34 first half shots for 56%. The Bears, unable to stop the Indians were handed their twelfth loss in a dozen starts. The final score was 76-57.

TOO LATE IS WHAT these Southeast Knights are as Bob Kelley hits for two on a jump shot.

Westport

The Bears played a tough and fast first quarter as they met the Westport Tigers. Both clubs, hungry for a victory, showed they were in this game. With the score tied at the end of the first quarter, East got down to work in the second quarter and by the half had a three point lead. This lead proved not to be enough as Westport picked up fifteen in the third quarter and led by seven. The Bears' hitting cooled off in the fourth quarter and the Tigers pulled ahead to a 66-49 victory.

Lillis

Gunning in the first quarter to jump to an 18 point lead, the Lillis Irish applied a press that never let up the entire game. Our Bears, only hitting 14 points in the first quarter, seemed unable to keep up with the fast breaking Irish. The second quarter proved to be like the first with East hitting a few and Lillis constantly pumping them in. In the third and fourth quarters, Lillis stole passes and had some easy fast break lay-ups. Even Bob Kelley's 20 points did not help as the Irish rolled to an easy 93-64 victory.

Paseo

The Paseo Pirates raced into a comfortable seven point lead in the first quarter. This lead never could be overcome by the Bears. By controlling the boards both offensively and defensively, the Pirates were able to set up numerous fast breaks. Relying on reserves in the third and fourth quarters, Paseo's scoring fell behind, while the Bears started to look good. Stealing passes and causing Paseo to have violations, the Bears started gaining on the lengthy Pirate lead. This sudden surge was a little late as it was 74-35 in favor of Paseo when the final buzzer sounded.

"A LITTLE HIGHER, BINKY", says Dave Lakin as Binky battles for the ball in the Lincoln game.

Lincoln

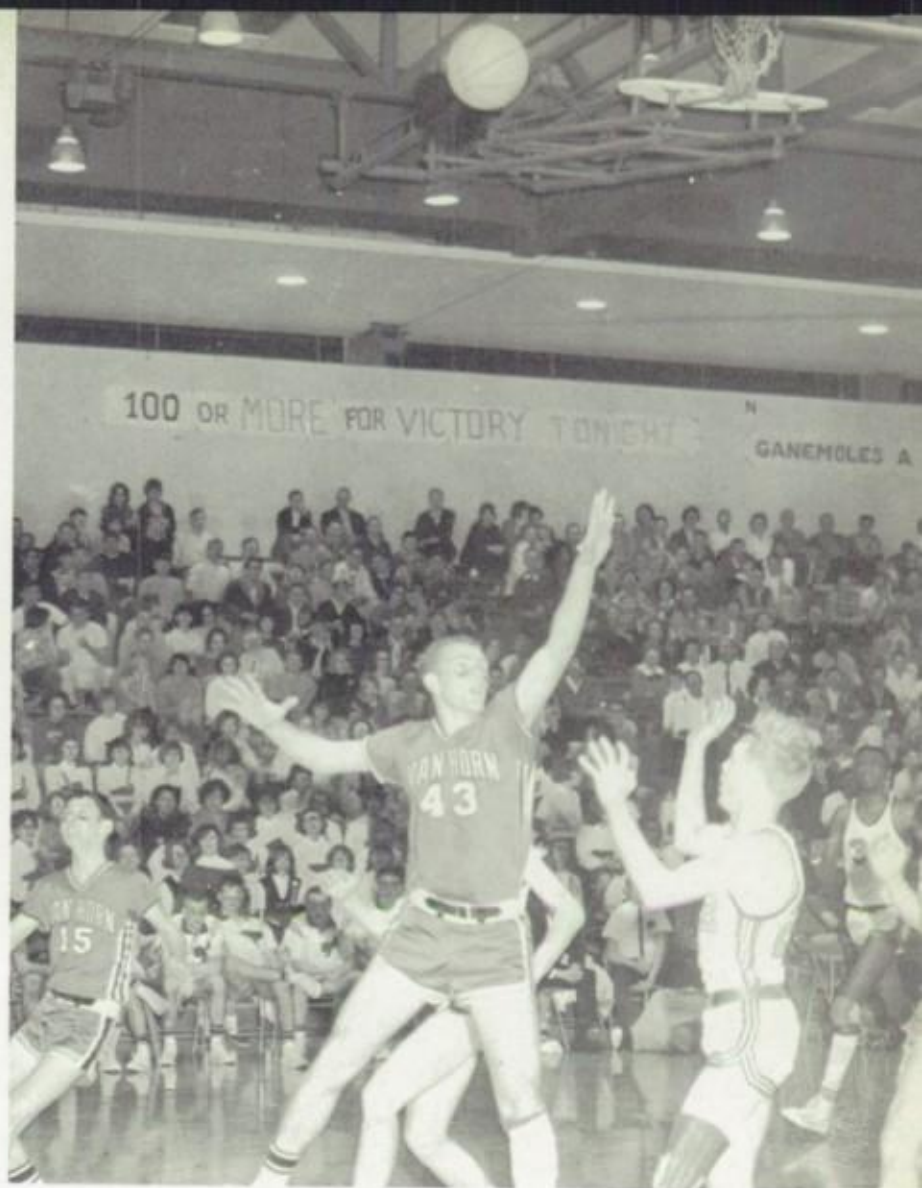

The Tigers, having the advantage of height over the Bears, used it to its fullest as they pulled down rebounds all night. The 8-5 lead the Bears got early in the first quarter was gobbled up by the Tigers as they led 22-11 at the end of the quarter. In the second half, the Tigers pulled steadily away from the Bears. The pressing offense of Lincoln held the Bears for 22-of-59 for 37 per cent, while the Tigers were 39-of-73 for a 53 per cent average. The Tigers came out victors, 90-64.

Central

The Eagles coasted to an easy victory over our Bears in the next to the last league game held at the Southeast fieldhouse. The Eagles, with all advantages in their direction, jumped into the lead at the start and were never threatened throughout the game. East, never able to get the ball to the inside, was forced to shoot from the outside, and because of a lack of height was unable to grab many rebounds. From start to finish, it was Central's game as they pounded the Bears 74-23.

Van Horn

For their last Interscholastic League game, our Bears met the Falcons of Van Horn. In the early minutes of the first half, it looked as if the Bears might win their first game, but this thought was to be far from the truth as the game wore on. Leading 20 points at the start of the third quarter, the Falcons went wild and lead by 40 points at the start of the fourth quarter. While setting new scoring records at the fieldhouse, the Falcons clobbered the Bears 111-57.

TOO LATE TO BLOCK THE SHOT, this Van Horn Falcon fans the air.

LARRY COLLE TRIES IN VAIN to grab this rebound in the Central game.

Fort Osage

In the first game of the 1966 regional, played at William Chrisman, the East Bears met the Indians of Fort Osage. Never behind during the entire game, our Bears scored first and had an eight point lead by the end of the first quarter. The Indians, with a sudden come-back, tied the score, with 10 seconds remaining in the second quarter, but Bob Kelley, on a fast break, gave the Bears the lead again as the score was 25-23 at the end of the first half. Early in the third quarter, the Bears built up a small lead, but by the end of the third quarter the Indians had again tied the score; this factor put all emphasis on the fourth quarter. Starting slowly, the Bears built a lead the Indians could not overcome as the Bears scalped the Indians 56-48.

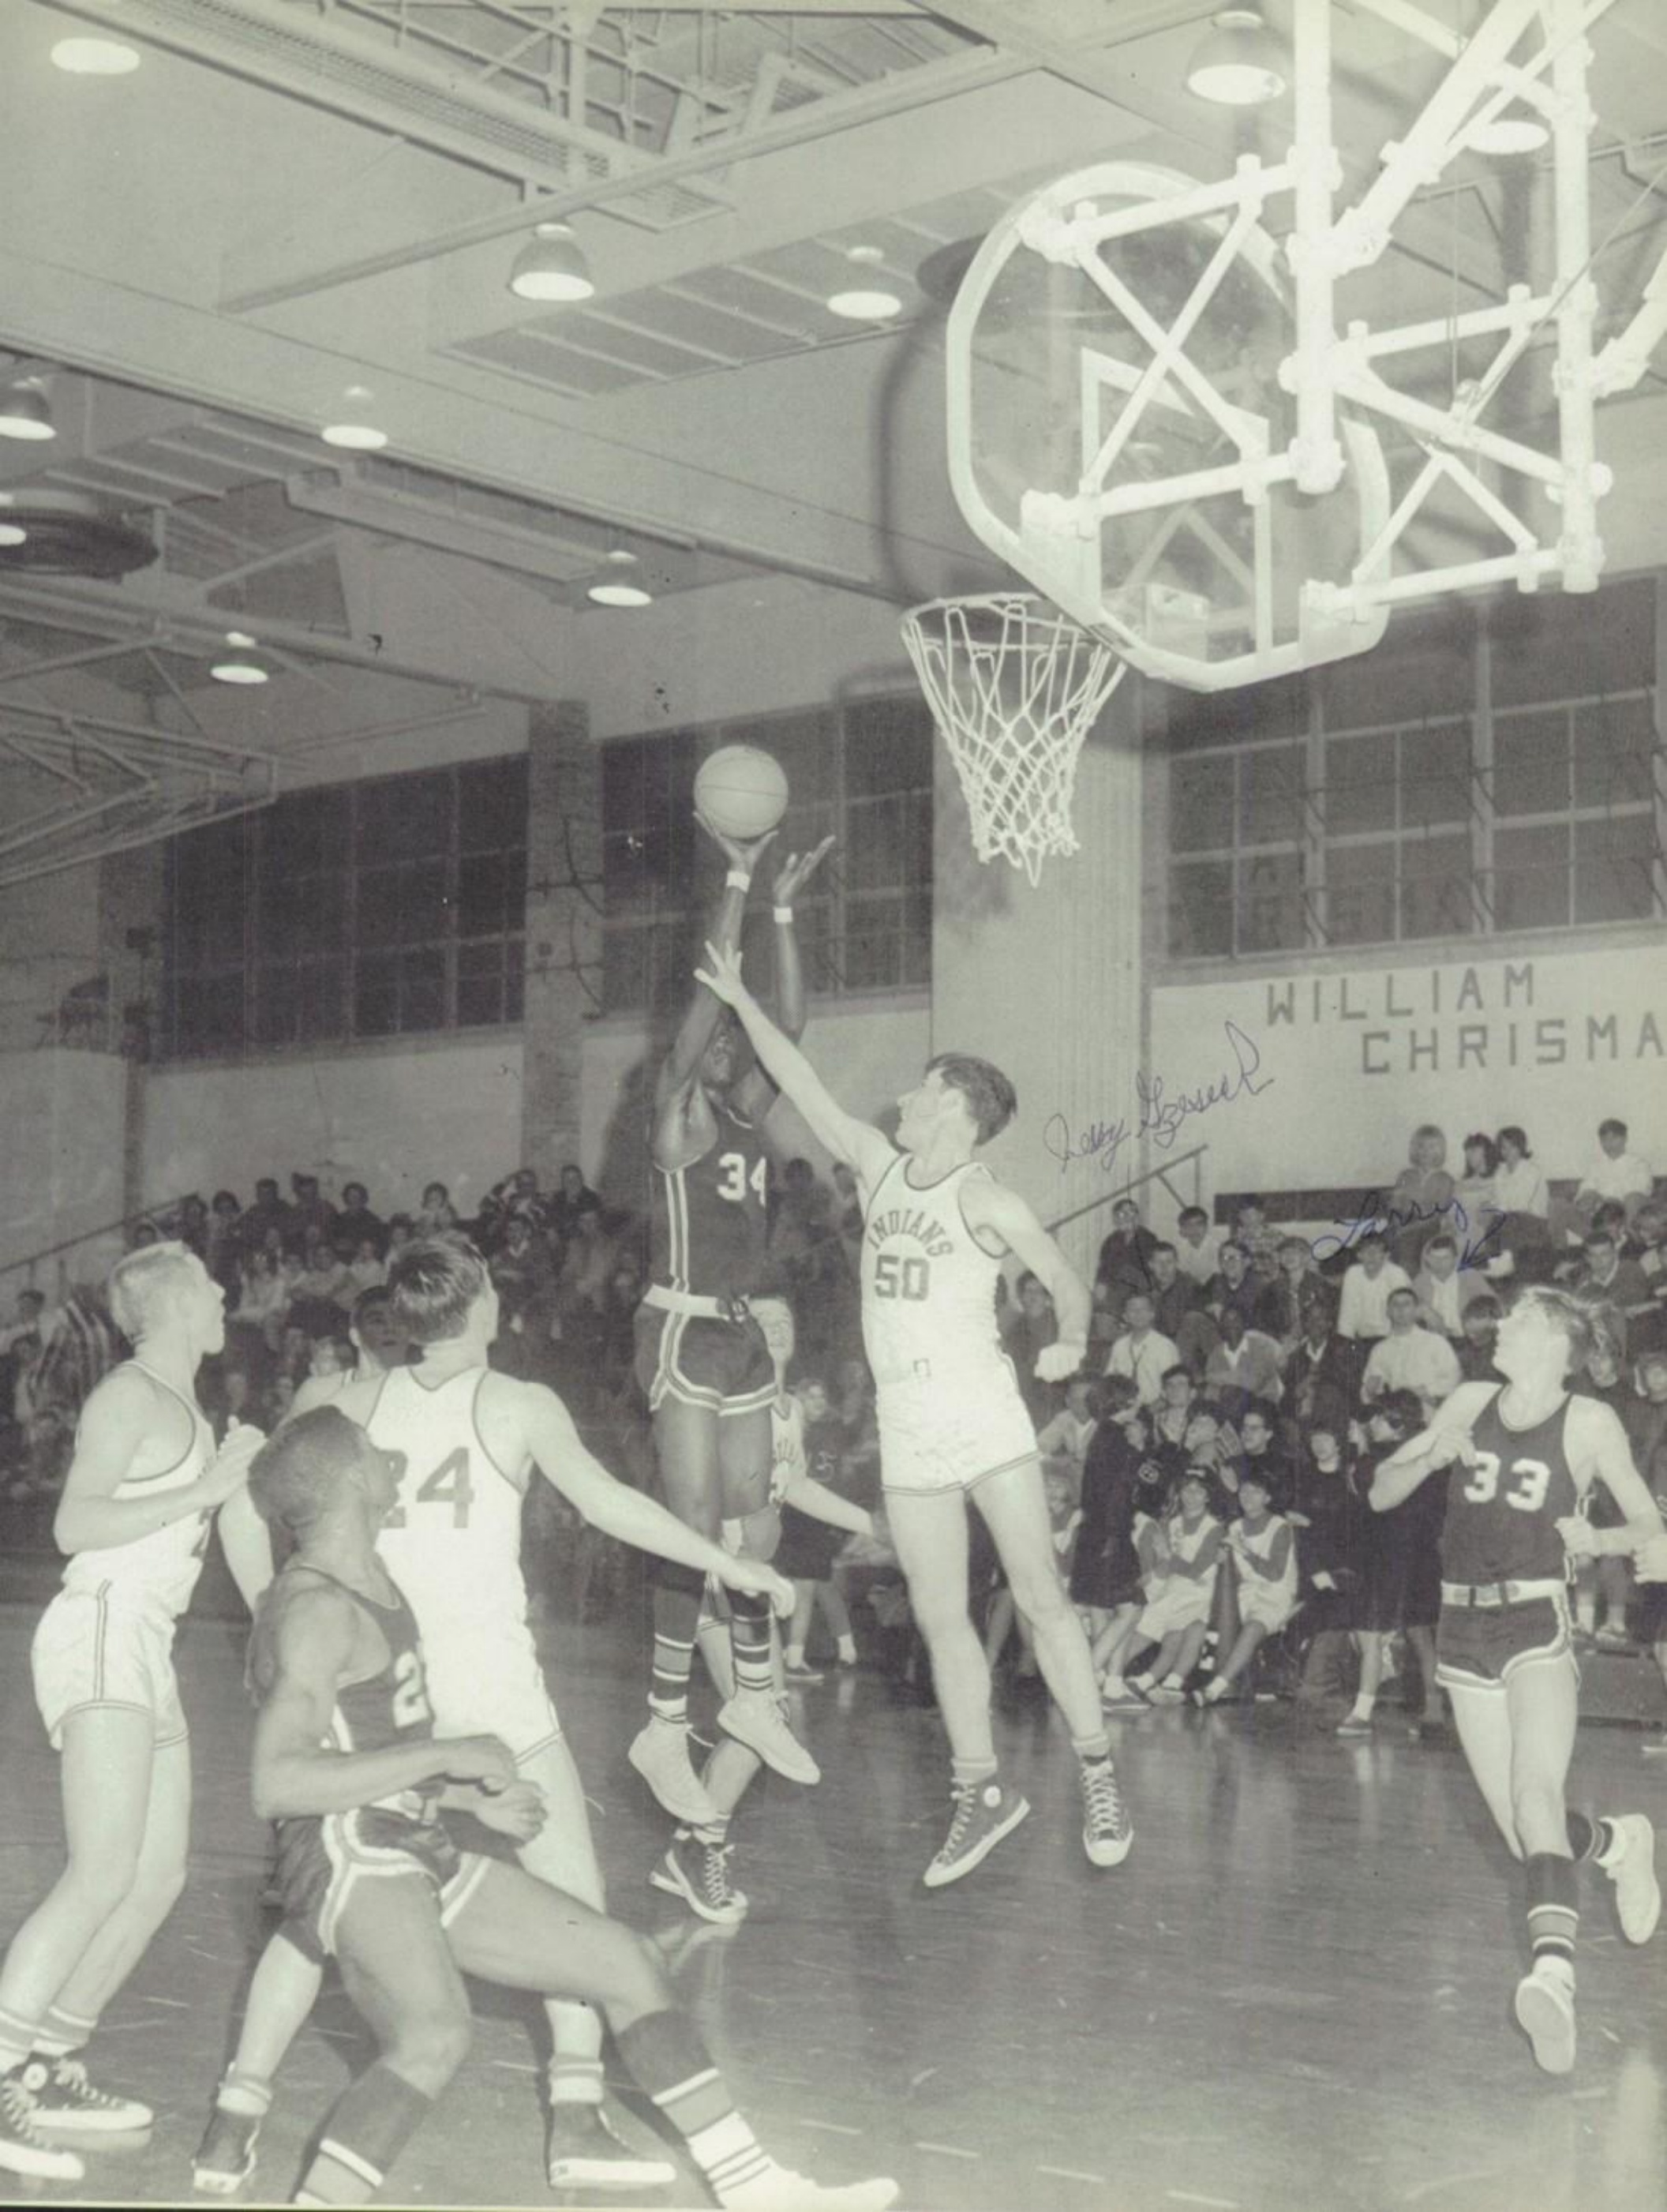

HOW EASY JERRY WALKER MAKES DUNKING the ball look.

"THANKS," SAYS BOB KELLEY as he gets a boost from this Fort Osage player.

De La Salle

For their second game of the 1966 regional our Bears went up against the Titans of De La Salle. The Titans had quickly scored four points before the Bears' center, Jerry Walker, pumped in two. The first quarter was close as the two teams exchanged baskets time and time again. By the time the first half had drawn to a close, the Titans had pulled out to a comfortable lead. During the third quarter it looked like the Bears might pull this one out of the bag, but again the Titans held on to their lead. By the fourth quarter the tough pressing defense of the Titans had taken its toll. With all hope of victory gone, East put in its reserves in preparation for next year's team. The loss of this game took our Bears out of the regional contest, the final score being 80-59.

Junior Varsity

The Junior Varsity faced many hardships this year, lack of experience, bad grades, and injuries. Their record is not the most impressive, but behind every game is a lot of hard work and sweat. The only victory of the season was against the Manual Cardinals. Even with this win, the Cubs were still in ninth place. The lessons they learned and the experience they gained by participating in Junior Varsity Basketball would be impossible to evaluate.

Bright and early every weekday morning before school a group of freshman boys, under the direction of coach Douglas Roether, practiced basketball in the boys gym. For most of the boys it was the first time they had played any organized basketball. This factor was a cause that hurt their win record. Like the Junior Varsity their only win of the season was against the Manual Cardinals. Although they started inexperienced, by the time the long season had drawn to a close our cubs had gained a valuable amount of experience that will be a help to future East teams.

Boys Achieve Individual Goals

Jack Webber
Head Coach

Daily workouts on second floor gradually shape up our track men for the task ahead. Hurdles are placed in the hall, enabling practice on form and timing. Ropes are let down in the boys gym giving our pole vaulters a chance to tone up their muscles. High jumpers land on mats and our shot-putters toss a special shot. As the weather changes our track men are vigorously at work awaiting outdoor track season.

During late August, a group of boys began a vigorous training program under the supervision of Coach Fields. When finished, this training would enable them to withstand the torturous task of running cross country. With only a few of last year's lettermen leaving, a strong, young nucleus was left. This year's team led by Bob Kelley, Henderson Hill, Mike Shanahan, and Roosevelt Collins, made a good showing with a 5-5 record, finishing third in the city. The junior varsity however, took a clean sweep of meets, and came out first in the city. Taking a glance at next year's team, it should be strong, and represent East well.

WAITING FOR THEIR TURN TO RUN, Bob Kelley and Henderson Hill watch from the crowd.

A series of indoor track meets were held at the "Cow Palace" or what is more commonly known as the American Royal Building. East ran four meets, Central, Manual, Ruskin, and Paseo. In these meets our weak points, hurdles and field events, showed up. Running was our best game. In all four meets, East runners won or placed in almost every running event. With this knowledge, our cindermen look ahead to the outdoor season.

Swimming Team

Team Effort Is Stressed

The East swimming team closed its season with a 4-5 record. Although they lost more than they won, the losses were to rated opponents. Swimming against Southwest and other top-rated schools, we can be proud of our Bears in the fact that they were able to turn down four of the area's top teams. Working hard in both morning and afternoon workouts, the Bears efforts were put to good use as they broke seven records this year. The city meet was held at East this year. Our Bears finished fifth in the city. Coach Mabbott looks forward to a good, strong team next year as he is losing only two lettermen.

WITH THE USE OF PAST RECORDS, these swimmers set new goals.

R.O.T.C. Strives for Leaders.

The R.O.T.C. program, having been set up by the Department of the Army after World War I, is unequalled in its scope and purpose. The program is governed by the cadet leaders who have a military training personnel, Sgt. Lowe, over them.

The Battalion Staff is made up of the Battalion Commander, Executive Officer, Operation Officer, Intelligence Officer, Administration Officer, Supply Officer and a Sergeant Major.

Sgt. Lowe, a Master Sergeant in the U.S. Army, has been the R.O.T.C. instructor at East for the past two years. Sgt. Lowe is in one of these three places most of the time, classes, field, and rifle range. He has many duties to perform to teach the cadet leaders how to run a Battalion smoothly and efficiently. He has taught the boys the meaning of the words discipline and honor.

Girls' Sports

Girls Develop

Aside from vigorous class sports, the fifth hour freshman gym class planned many extracurricular activities. Among projects planned were a group routine for the Outburst, a Christmas program, and various money-making projects for a trip in the spring. Under the guidance of Miss Williams, all had an enjoyable and rewarding year.

Swimmers Develop Poise and Grace.

The Sea Nymphs spend many long and tiring hours in the poolroom striving for perfection. For the annual swim show, the big event of the year, the girls choose their own music and work out their own routines. Synchronized swimming is their goal in group numbers. After their first performance in a show, the new members, called guppies, become Sea Nymphs.

Business Club Serves East.

An honorary business service club was organized last fall by Miss Houtchens. The club is composed of business education students who aid the school and the faculty members. Business club members typed football, Outburst, and play programs, and made duplicates of any announcements, bulletins, and class material that organizations or teachers needed.

Service in the business club provided the members with training for possible careers in the business world. Besides learning necessary business techniques, they became familiar with the usage of many office machines. Each member also donated at least two hours weekly to club duties. The present goal of the club is to gain recognition by the National Honor Society.

A Peek into Space *'65 Outburst*

A delightful and humorous Outburst was once more produced by Donovan Mabbott. The enthusiasm of the cast during rehearsals was only surpassed by their performance opening night. The unique theme of this year's Outburst, "Gemini Cricket," provided for an unlimited variety of acts.

The show was built around a hometown astronaut's departure from and return to earth. The town folk put on a great show in his honor.

THESE STRANGE PEOPLE from another planet put on a baton dance for Mike Duffy and Paul Thomas.

Blasts Off!

Among the acts presented were songs, line dances, and humorous skits. On the count of "three-two-one" the rocket soared into the air. Upon arriving at his destination, the astronaut was greeted by another show—this time put on by the inhabitants of the strange land.

The combined efforts of the students and members of the faculty helped to make the '65 outburst a soaring success.

"COLUMBINE, I LOVE YOU!" cries Joe Cunningham, while maid Beth Huffman watches with disgust.

On the night of January 21, drama classes presented "The Wonder Hat." The play revolved about five characters — Punchinello, peddler; Harlequin, bachelor bored by women; Columbine, spinster in love with Harlequin; Pierrot, suitor of Columbine; and Margo, Columbine's maid. Harlequin stole a magic hat from Punchinello to escape Columbine, not knowing that Columbine had bought a shoe to make her attractive to men. Harlequin fell in love with Columbine, but was unable to remove his hat. The conclusion of the story was left to the imagination of the audience.

Mr. Doug Roether

WATCHING FOR THE MARKERS out of the corners of her eyes is one of Mr. Dickson's pupils.

Adult Driver Education, or A.D.E. as it is often called, is a one-semester subject. It trains students in the fundamentals of driving a car and the rules of traffic safety. This year, the Driver Education program was under direction of Mr. Doug Roether, Mr. James Dickson, and a new member of the faculty, Mr. Guy Burton.

"WHO'S NEXT?" says Mr. Burton, preparing to test students on night vision.

Bears' Den

Teens Find Recreation

Every week on Thursday evening, Bears' Den provides a form of relaxation for teenagers. Teentown is a mixer held at the College Heights Methodist Church. Boys and girls are entertained by the music of various bands and singers. They may dance or just stand around and talk to their friends. The highlight of the year for Bears' Den members is the crowning of the Snowball Queen. This year, the honor was bestowed upon Maralyn Butler, escorted by Dave Lakin.

QUEEN CANDIDATES AND THEIR ESCORTS anxiously await the results of the voting.

YOUNG COUPLES DANCE SLOWLY to the music of the Classics.

MIKE CHAPMAN AND JUDY WYMORE take time out from this dance to rest their feet.

Spanish Club

Traditions of Old Spain Are Relived

The classes in Spanish choose their own class presidents. Meetings are carried on during the class period. The class presidents meet after school to talk over problems that come up during the year.

The Spanish Club, sponsored by Mr. Ruiz, is trying to change the image most people have when they think of Spanish. This year a Christmas party was held, and Mr. Dickson and other Faculty members were present. At the party, a play was given in which all the lines spoken were in Spanish.

CALLING THE SPANISH CLUB TO ORDER, the president presides as Mr. Ruiz looks on.

MAKING A SPEECH IN SPANISH broadens the knowledge of the language.

A SUMMER TRIP TO FRANCE is a favorite topic of conversation for Mrs. Donnelly.

PARLEZ VOUS FRANCAIS? says the President at the French Club Dinner.

Les Ours Francais

A Touch of France Is Brought to East.

Under the leadership of Mrs. Donnelly, the French Club strives to instill an awareness of French customs into its members. The French Club entertained various guest speakers who showed slides of France. The main project of the year is the French Club Dinner held each year around the time of the Mardi Gras Celebration.

Latin Club

Past Cultures Are Renewed

The East High branch of the Junior Classical League was active in many ways this year. The Latin Club held programs at Christmas and Valentine's Day for the members of the club. Special occasions, such as Halloween and the founding of Rome, were celebrated with parties.

The Latin Club also participated in the Outburst for the first time. The climax of the year's activities was Regional Junior Classical League Convention. At this convention, Latin students were able to experience life as it was in ancient Rome. Dian Johnson was East's candidate for League president.

THESE LATIN STUDENTS DISPLAY THEIR COSTUMES that won first place at the Latin Convention.

TALKING OVER THE PROBLEMS of the classes, these class presidents have a meeting after school.

A Calendar of Events

Success and Failure

The members of the Eastonian staff were selected at the closing of last year. Mr. Prewitt, the sponsor, organized the staff with the goal of building an All-American yearbook. For the first time in many years the assistant editors were Juniors. Staff work being an extra-curricular activity, many hours before, during, and after school were contributed toward the production of this yearbook. During fall, the Eastonian sponsored a football ticket sales drive which helped support our team. The next project was the Valentine Mixer. The most outstanding event for the yearbook was the crowning of the Eastonian Queen. The Queen was chosen from nominees on the basis of talent, poise, and intelligence.

Marty Baker was chosen Editor-in-Chief because of her capable leadership. Marty saw that copy was correct and in the right order for the printer. Layout editor, Mike Snow, made final layouts for the printer. Warren Hawblitzel, head of photography, was assisted by Calvin Ekstrom and Steve Nelson. Art work and the cover design were two of many tasks undertaken by Sheila Carrasco. Julie Brown, in charge of literary work, wrote headlines, copy, and captions. Eastonian finances were under the supervision of Linda Rothwell. The yearbook was divided into sections and each member of the staff had his responsibility to see that all material for his section was completed and on its way to the printer.

"CHALK ONE UP TO EXPERIENCE," sighs Mr. Prewitt as he examines another of the staffs' efforts.

TRYING TO ENLARGE CALVIN EKSTROM'S HAND is a very serious business for Warren Hawblitzel and Steve Nelson.

MOCK-UPS ARE IMPORTANT even to the Echo staff as demonstrated by these girls.

Junior Chronicle—1966

Throughout this school year, the Junior class has proved competent and able. In all fields of school life, there were Juniors willing to contribute their skills and ability for the benefit of East. At this time, we shall attempt to recognize some who have given their best to East.

In athletics, many Junior boys participated on varsity teams; Ron Finley, Dean Johnson, Darell Wright, Jim Guthrie, and Don Doughty were among those fighting on the football field; Ron Morrow, Larry Colle, and Eugene Hoskins were often in the starting line-up on the basketball court. Our wrestling team—the first at East—won many victories because of Joe Eagan, John Cress, and Bernie Formella. Frank Toombs, Henderson Hill, and Bill McCloskey continued trying to maintain our outstanding track record. The tennis courts and the golf greens were mastered by Dean Johnson, Steve Irwin, and Bill Ogrizovich.

Supporting these boys were the Junior cheerleaders, Claudia Edwards, Debi Merlo, Belinda Foster, Dian Johnson, with Pep Club mascot, Sarah Chewning. Also active in girls' sports were Karen Ross, Sue Ash, and Judy Upp.

In the line of scholarship, five Junior girls, Julie Brown, Peggy Lynn, Cheryl McCain, Dian Johnson, and Susan Grower were selected to AAUW membership. Also ranking high in scholastic ability were Greg May, Steve Irwin, Mike Snow and Warren Hawblitzel.

Preparing for possible careers were those in the music, drama, and homemaking departments. Some of our finer musicians were Ron Marsh, Mike Gallagher, Gary Land, Georgia Martines, and Sharon Bullard. Performing on stage were Richard Pence, John Kennison, Dennis Milholland, and Laura Rose. Training in domestic ability were Elizabeth Shanahan and Ginny Shepard.

The Class of '67 was also very active in the literary field. Susan Grower was honored by serving as Kalailu president as a Junior. Warren Hawblitzel and Julie Brown are Literary Contest gold medal winners. Brenda Shephard, Michele Riddell, Josie Segura, and Sarah Chewning spent many hours working on the Echo. Even the Eastonian staff was comprised mostly of Juniors. For the first time, the five assistant editors, Mike Snow, Julie Brown, Warren Hawblitzel, Sheila Carrasco, and Linda Rothwell, were Juniors.

The Class of '67 is a class of action, a class to be remembered. Congratulations, Juniors, for a job well done.

Acknowledgments

There are certain people without whose co-operation the 1966 Eastonian could not have been possible. Because of their time and effort we were able to produce a yearbook of which we hope you can be proud. The staff wishes to express our most sincere appreciation to . . .

. . . Mr. Dickson, Mr. Markey, Mr. Ridley, and the office staff for their patience and invaluable aid . . .

. . . Mrs. Offield and the bank proctors, who put forth much time in maintaining our financial records . . .

. . . the custodians, who were so patient with the long and unusual hours of the staff . . .

. . . Rolland Studio for their cooperative service with our pictures, and especially to Mrs. DeLois Thomas . . .

. . . Inter-Collegiate Press, our publisher, and to Mr. Alden Tilberg and Mrs. Lillian Hampshire, our special advisors . . .

. . . Mr. William K. Prewitt, who gave countless hours and greatly needed guidance and advice, and who receives our deepest thanks.

Finally, we wish to thank you, the student body and faculty, for your support of this Eastonian. We hope that we have given you a yearbook that you will forever enjoy.

I Haven't Much to Say, But . . .

Mrs McKenna
I had a hard time
in your class
but, you helped
my typing greatly.
Yours
- 266 -

Remember the Time . . . ?

Here's Wishing You . . .

Better Luck Next Year

And Until Next Time . . .

I Leave You with This Thought.

Mrs. McKenna -
Thank you so
very much for becoming
a typing instructor. I keep
could have found a better
one. Just as the keys went
up and down, so did my
grades it seems, but you
helped me a great deal.
